Common questions

Do I need OET or IELTS before AMC Part 1?
No. You do not need an English test to apply for or sit the AMC exams. English proficiency is checked later, when you apply for registration with the Medical Board of Australia through Ahpra.

Is there negative marking in AMC Part 1?
No. A wrong answer costs nothing, so answer every question.

What does AMC Part 1 cover?
It is integrated across disciplines: adult health, women's and children's health, mental health, population health and ethics, all set in Australian practice.

What comes after AMC Part 1?
Passing the MCQ exam makes you eligible for the AMC clinical examination (AMC Part 2) or the workplace-based assessment route.
