About the exam

Three parts: Part 1 on basic and clinical sciences, Part 2 on clinical knowledge, and Part 3, a clinical assessment of the skills needed in obstetrics and gynaecology.

Part 1	Basic and clinical sciences
Part 2	Clinical knowledge
Part 3	Clinical skills assessment

Who the course is for

Doctors in obstetrics and gynaecology, in the UK or overseas.

What you will study

Structured revision for Parts 1 and 2, and task-based practice for Part 3.

- Part 1: the basic and clinical sciences behind obstetrics and gynaecology
- Part 2: clinical knowledge, with single-best-answer and extended-matching questions
- Part 3: clinical assessment tasks, communication and patient safety
- Timed mock papers for each part

What your course includes

- **Live online classes**
  Every class is taught live by your tutor, with interactive sessions where you ask questions as you go.
- **Recordings for 6 months**
  Missed a class on a night shift? Every session is recorded and stays available to you for six months.
- **PDF notes from your tutor**
  Your tutor shares PDF notes for the course, so you revise from the same material you were taught.
- **MCQ solving together**
  Your tutor works through exam-style questions with you and explains the reasoning behind each answer.
- **Free mock exams**
  Mock exams in the format of your exam are included in your course at no extra cost.
- **One-to-one classes**
  Prefer to study alone with a tutor? One-to-one classes are available for every course on request.

The green signal

Booking an exam too early is expensive. Your tutor follows your mock results and your work in class, and gives you the green signal when you are ready to book. The green signal is your tutor's honest judgement of your readiness. It is not a guarantee of a pass.

Common questions

How many parts does MRCOG have?
